RESPONSE TO NOTICE TO FILE MISSING PARTS OF  
APPLICATION-FILING DATE GRANTED

Submitted herewith is a copy of FORM PCT/DO/EO/905 dated March 19, 2007 together with a signed Declaration and a Corrected Application Data Sheet indicating the International Application, together with 4 replacement sheets of translated drawings.

It is respectfully requested that the signed Declaration indicating the International Application and the Application Data Sheet corrected to show the information for the International Application from which the present application claims priority be entered in the record and that acknowledgment of the priority be indicated on the Official Filing Receipt. The late fee of \$130.00 for late filing of the Declaration is included with this submission. 05/11/2007 GREY 00000001 10582297 130.00 OP 01 FC:1617

Also included with this submission is a copy of the 4 replacement sheets of translated drawings (Figs 1-7). The

translated sheets were previously submitted with the filing of this application and are currently viewable on US Patent Office PAIR site. It is not believed that the late fee for translated drawings should be paid as the translated drawings were submitted with the filing of the application. Should this be found to be in error any deficiencies in the fees may be charged to Deposit Account No. 04-1577.

It is now believed that the application should be ready for normal processing. In the event any additional information is required by the Application Branch it would be appreciated if they would contact the undersigned attorney of record at the telephone number shown below.

Respectfully submitted,
